PowerPoint Import Instructions

How to Import into PowerPoint:

1. • Save this HTML file to your computer
2. • Open PowerPoint
3. • Go to File → Open
4. • Select "All Files" in file type dropdown
5. • Choose this HTML file
6. • PowerPoint will import the slides automatically
7. • Adjust formatting as needed
8. • Add your custom logo: Insert → Pictures

💡 **Pro Tip:** Replace the 🎓 emoji with your actual My_Tutor_Flow_Logo.png for professional presentation
